1. A monthly service charge of \$17.00 will be imposed if the calculated average daily ledger balance during the monthly statement cycle falls below either:
  - a. \$5,000.00 for the Business Interest Checking Account only; or
  - b. \$10,000.00 for combined balances (includes Business Interest Checking and all attached qualifying deposit accounts for the same relationship)
2. For an account using eStatement service, a credit of \$2.00 will be applied to the account should a monthly service charge be assessed during the monthly statement cycle. If the account is not assessed a monthly service charge then the account will not receive the \$2.00 credit.
3. The first 50 debit transactions [checks paid (paper and electronic, point of sale purchases, outgoing account transfers, ACH debits, and withdrawals (including ATM withdrawals)] per monthly account statement cycle are at no cost. Thereafter, the charge is \$0.15 per debit transaction in excess of 50.
4. Interest rate and annual percentage yield for tiers may change at any time. Interest is compounded monthly based on the simple compounding method and credited during the monthly account statement cycle.
5. Subject to approval and fees.
